

CHOICE

QUALITY WATERJET PARTS

The Best Choice for Replacement Waterjet Parts!

***Another Choice Advantage... We have launched
our NEW Choice Website!***

We are pleased to announce the launch of our New Choice website at ChoiceWaterjetParts.com! There are many advantages that Choice continues to offer: **free** ground shipping, promotions, volume discounts, same day shipping, live customer support, industry leading warranty plus much more.

We also have an online store where you have 24-hour access to premium replacement parts and accessories for several Waterjet OEM's.

To register for an online account, you can select "Order Parts" on the home page of the new website and click Login. By clicking on the "Request A Business Account" and completing the account information form, you gain access to pricing, additional savings, sales history, account management and other important resources.

***As a thank you for your loyalty, we are offering a 10%
discount on most items on your first order... so make it count!!***

*****Use Coupon Code: ADVANTAGE*****

As always, you continue to have access to a committed team of professionals for order placement and service support. If you can't find the parts that you're looking for... **WE WILL!**
